MEMORANDUM FOR: Directorate and DCI Area Grievance Officers

FROM: Charles A. Briggs  
Inspector General

SUBJECT: Grievances--Updated Data

REFERENCE: IG 80-0529, 22 July 80 and previous correspondence on this subject

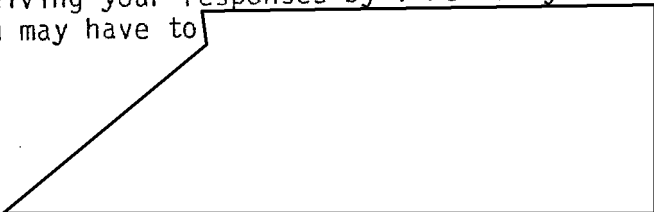

1. The new grievance procedures have been in operation for about two years. As the overseer of the Agency-wide grievance handling system, it is again time for me to take stock of the grievance process, determine whether it is effectively meeting our needs, and report my conclusions and any recommendation for change to the Director.

2. To help in this review process, I need an update of the information you have provided in the past in response to reference. Please include data for calendar year 1980 broken down as follows:

- number of new grievants who sought help from directorate and component grievance officers in 1980;
- number of grievance cases resolved by directorate and component grievance officers in 1980;
- number of the resolved cases which were concluded to the complete or partial satisfaction of the grievant;
- breakdown of the new grievance cases in 1980 by type, using the categories and subdivisions of the attachment.

STAT 3. In addition to collating this data, I would like to have your views on how the grievance system is working, particularly what you see as its strengths and weaknesses. [redacted] who heads the Grievance Group will be meeting with you during the coming weeks to discuss our interests. Your submissions in response to this memorandum will serve to sharpen the focus of those discussions.
